

OA GROUP

OUTSTANDING APPRENTICE GRADUATE GROUP

WHO IS IT FOR?

The OA Group is for Outstanding Graduates of all IBEW/NECA apprenticeship programs, Entry Level Employees, or individuals who have been identified as a future leader within your organization.

This 40-hour program runs Sunday through Friday and features team building, leadership development, estimating, negotiations, and the structure of the IBEW/NECA.

CONGRATS TO YOU!

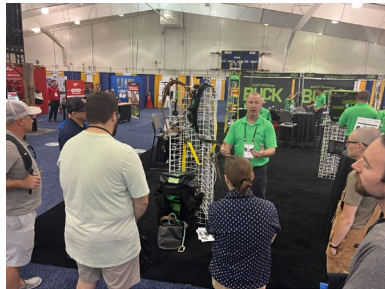

These individuals will be recognized individually during the opening ceremony of NTI and will each be presented with an Outstanding Achievement Certificate, as well as gifts from *electrical training ALLIANCE* Platinum Award-winning Training Partners.

WHO SPONSORS OA GROUP?

The OA Group is sponsored by Milwaukee Tool and its own registration at the trade show.

There were 105 OAs registered at the 31st NTI. This number has been growing every year as more training centers decide to participate.

WHAT DO YOU GET?

The OA Group participants not only received **great training** from our Training Partners and instructors, but they also receive gifts from the following:

- Milwaukee Tool – Dinner and gathering
- Milwaukee Tool
- Klein Tool
- Fluke
- etA Gift

GET RECOGNIZED!

SCHOLARSHIP OPPORTUNITIES

OA Group participants are entered into a raffle for multiple separate \$5,000 scholarships to continue at NTI in the I-Group. These scholarships are made in the name of the winner but given to the JATC.

Also, Training Partners like Klein have donated tool sets to raffle winners.
