## NTI has a new home!

### **A new home for NTI!**

We are excited to announce a new home for the IBEW-NECA National Training Institute! Actually, it's the same location as the 2023 event. We will return to Eastern Michigan University and Washtenaw Community College for the 33<sup>rd</sup> Annual NTI in 2024.

We are ready to make this move, knowing that both EMU and WCC are an excellent fit for our training. WCC is currently home to five other trade union teacher training programs, and last year was a great experience, so we hope to capitalize on what we learned in 2023 to make 2024 and beyond even better.

### **Why are we not staying at the University of Michigan?**

We could not agree on a new contract to move forward, and after much discussion with the University, the *etA* decided it was time for a change. We are grateful to the University of Michigan for 12 incredible years of hosting NTI. We wish them the best as they continue their mission to educate students.

### **Some Additional Info**

- First and Second Year I-Group and the Outstanding Apprentice Group will be at EMU, and all other groups will be at WCC.

- We will no longer offer bus transportation. Both campuses have ample parking, so transportation will be up to each participant in 2024.
- Registration will open in March.

**We will have more specifics about NTI 2024 for you soon...stay tuned!**
