

Outstanding Apprentice Graduates attending NTI 2025:

Congratulations! We are excited to celebrate your outstanding achievements at this year's NTI and need to give you some important information.

1. All OAs (Outstanding Apprentice Graduates) begin their NTI experience at 8:30 a.m. (EDT) Sunday, July 27, at the George Gervin GameAbove Center (G3) at Eastern Michigan University (the trade show location). Follow the signs in the atrium directing you to the Auxiliary Gym in the lower level. Attendance will be taken at this meeting, and you will be divided into groups to visit our Award-Winning Training Partners for a special demonstration on the trade show floor.
2. You will have lunch in the Auxiliary Gym at the G3 Center from 12:00 p.m. – 1:00 p.m. After lunch, you will be greeted by representatives from our Award-Winning Training Partners with a gift for your achievement. Then, it's on to orientation, introductions, and a review of the week ahead with your instructors. This should be completed by 2:30 p.m., giving you enough time to return to your hotel and get ready for the Opening Ceremony.
3. You will be responsible for your transportation to and from the G3 Center.
4. You will be honored for your outstanding achievements during the Opening Ceremony on Sunday evening at the G3 Center. Please arrive by 4:45 p.m. at the front entrance to check in and locate your assigned seat for a group photo.
5. All Outstanding Apprentice Graduates who wish to participate in the Opening Ceremony on Sunday must wear business professional attire. *** If you do not meet this requirement, you will NOT be permitted to participate in the event.**

*Business professional attire:

Dress pants, dress shirt, tie, dress, skirt, slacks, blouse, and shoes.

Sunglasses, ball caps, tennis shoes, and other footwear such as like sandals, flip flops, etc., are not considered business professional.

Once again, congratulations on your achievements! The *electrical training ALLIANCE* looks forward to seeing you at this year's NTI.
